

QUALITY THAT SUITS YOUR STYLE OF LIVING

“Every day our valued clients recognise their own style in our homes. Our greatest success is their satisfaction.”

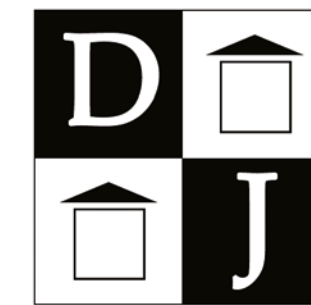

Tony Trasente,
Director of Daniel Jordan Homes

In 2019, we are proud to be celebrating our 30th anniversary and the unveiling of our first feature home.

Drawing on the success we have achieved by continuously providing quality service and workmanship, this elegantly appointed feature home defies expectation.

Located in a tree-lined street in St Peters and open by appointment only, we look forward to building with those who appreciate the finest.
